"This is merely superconductor electromagnetism. Surely you've heard of it. It levitates bullet trains from Tokyo to Osaka. It levitates my desk, where I ride the saddle of the world. And it levitates...me!"

- M Bison, Street Fighter

"We must be cloaked by the stars and wrapped by the moon; we must dine on the winds and rest by the waters. We move on if there's a road, and we stop only when we come to its end."
